Yesterday

We live in time, and the past must always be
the most momentous part of it.

Lionel Johnson,

POST LININIUM

Dedication

We, the members of the Senior Class of 1966-67
dedicate this annual to the faculty and members of
the Senior Class of 1917-18.

Shwab School Building on Dickerson Road was the first home of Central High School. The school consisted of four large rooms and two halls. The students came from such widely separated districts as Belleview, Madison, Joelton, and Goodlettsville. They came on trains, street cars, wagons, bicycles, and on horseback.

During this first year clubs and literary societies were organized. A Glee Club was formed, the Dramatic Club presented a play, a Thrift Band was organized, and a Junior Red Cross Chapter was formed. Athletic teams were organized for boys and girls.

The first issue of the Megaphone appeared in the fall of 1917. On May 22, 1918, the Seniors of Central High School were presented their Diplomas.

Sophomore class of 1920

In the fall of 1919 the school was moved to the State Fair Grounds. It was in this year that student government was inaugurated in the school. During this year the question of merging the school with Hume Fogg arose. A decision was made, however, to purchase ten acres adjoining the Fair Grounds. This is the land upon which the present school stands. The class of 1922 was the first to graduate from the "New Central High School."

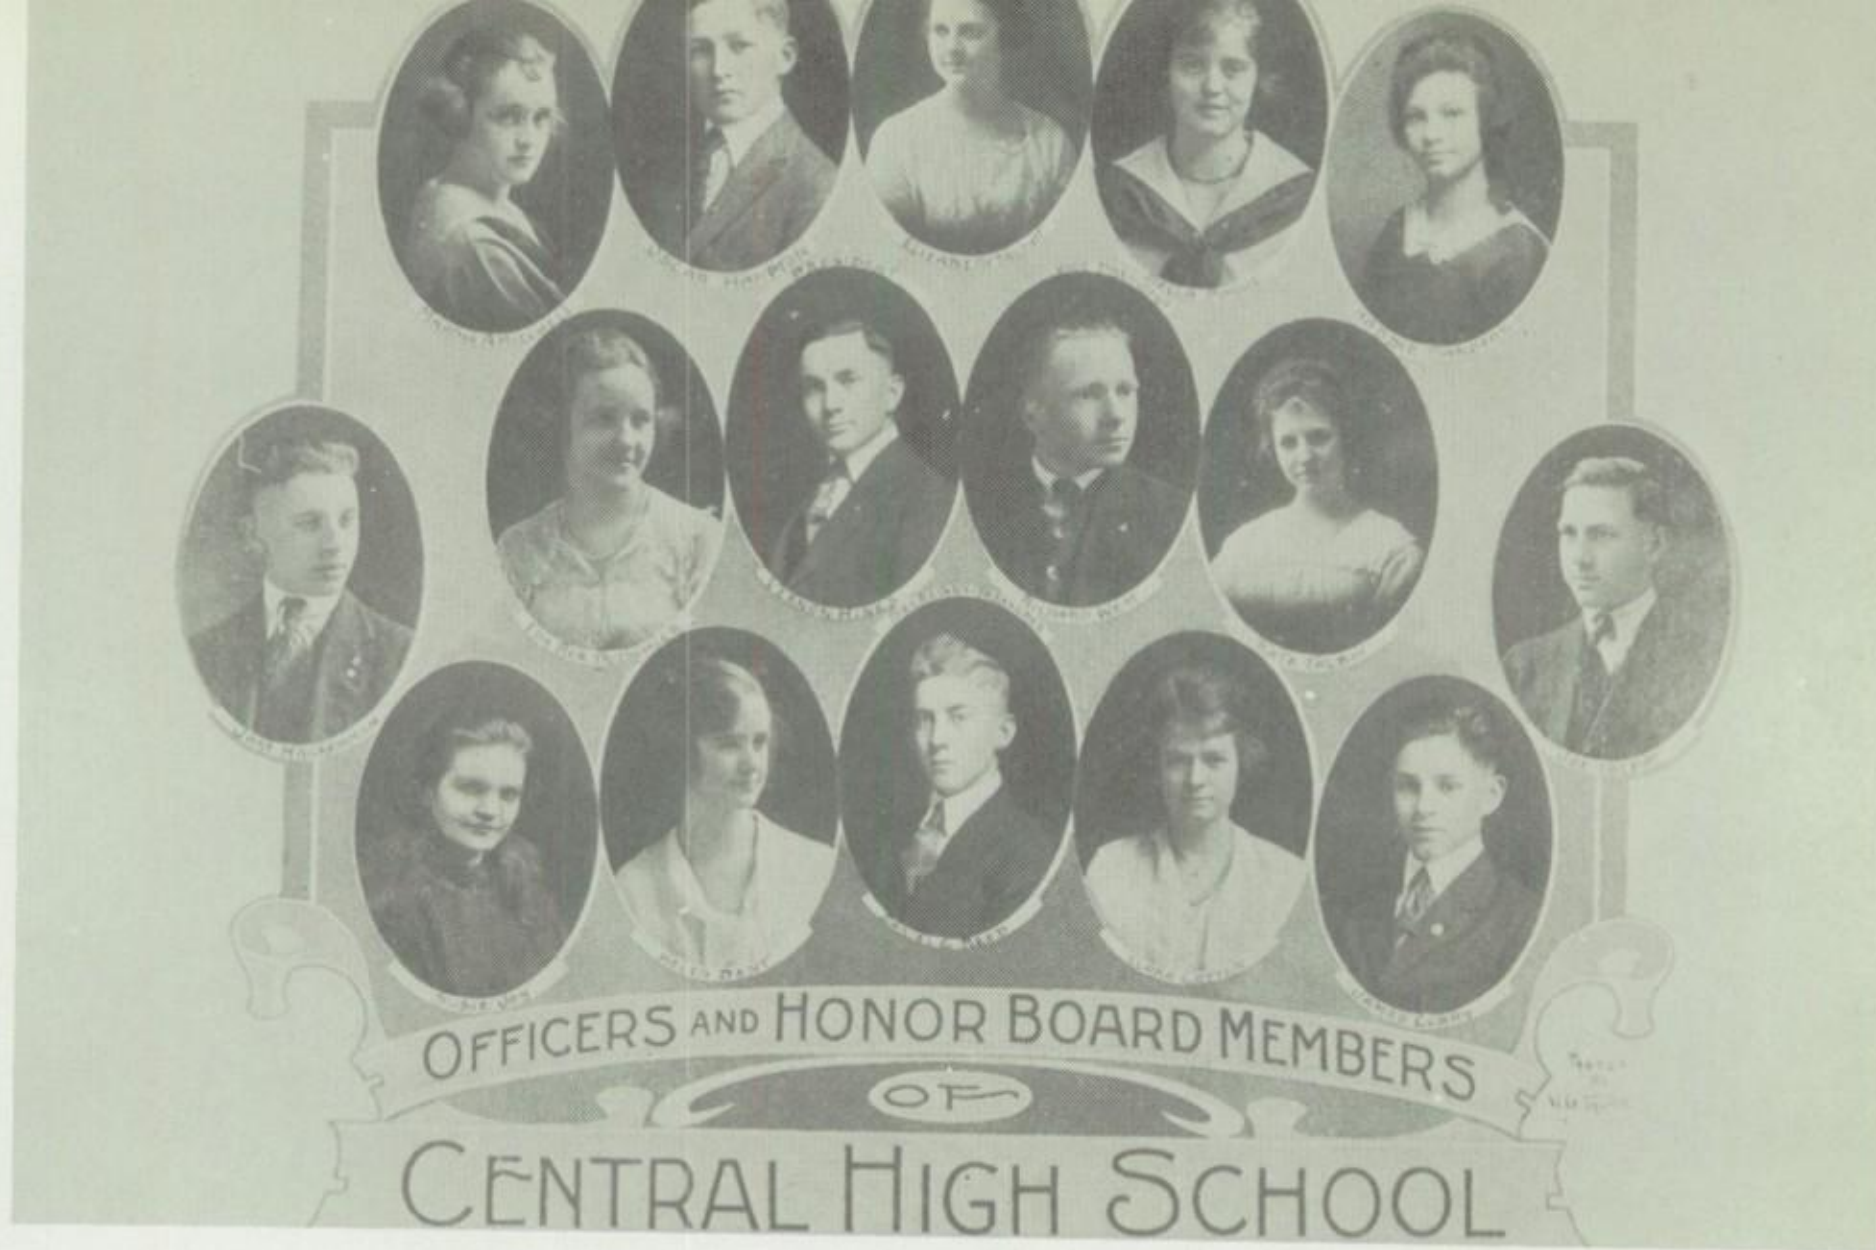

To The New Central High

To the new Central High Building we affectionately dedicate this commencement number of the MEGAPHONE. In so dedicating we would express our love for its beloved halls. Also we would herald it as a monument to liberal education, as well as an institution which stands for high ideals of development for the men and women of tomorrow.

The great joy that we have in so dedicating is the consummation of the untiring efforts and loyalty to the cause of education with which many noble spirits have been lighted. To you, noble men, be the honor and praise of this occasion. To thee, Central High, we humbly perform this dedication ceremony. On thee we cast our garlands of praise and honor.

THE EDITORS.

Miss Carrie Sloan

We wish to express our appreciation to Miss Carrie Sloan, a member of the first class to graduate from the school and a member of the present faculty of the school. Miss Sloan supplied many of the pictures we used and gave us much valuable information. Without her help we could not have prepared the preceding pages. Thank you, Miss Sloan, not only for this assistance but also for your many years of devoted service to Central High School.

Today

For Yesterday is but a Dream,
And To-morrow is only a Vision,
But Today well lived
Makes every Yesterday a Dream
of Happiness,
And every To-morrow a Vision
of Hope.
Look well, therefore, to this day!

This year's Tornado team yielded many surprises and a few disappointments. Some amazing upsets developed on the home field this year. The rainiest night, perhaps in NIL football, developed just prior to game time when Central met Mt. Juliet. The mud seemed to be an asset to the underdog Tornadoes as they sprang one of the top upsets in the NIL that night. Homecoming and its festivities brought into the grasp of CHS its first Homecoming victory since 1962. The final game of the season saw a tie on the scoreboard as The Tornado eleven met the Dupont Bulldogs.

ROW 1--James Watson, Jerry White, Steve Hurst, Ricky Willis, Butch Judkins, David Mosier, and Bobby Baird. ROW 2--Johnny Farmer, Freddy Butler, Bruce Nugent, Bo Willis, Tommy Vaughn, Mike Bolton, Ronnie Brim, Jimmy Paine.

Football

The offense worked well together. With Tommy Vaughn and Bobby Baird in the backfield the opponents had to cover two passers, both of whom could run very well. By moving lineman David Johnson to fullback more power was added to the running attack. This season saw halfback Butch Judkins emerge as one of the strongest runners in the NIL. He ranked in the top ten in total rushing yardage. On the receiving line of the Baird and Vaughn passes could be found one of the following: Judkins, Bruce Nugent, Dale Hudson, Lance Estes. Some unbelievable passes were caught this season. This year the Tornados finished in fifth position in the AA league.

BASKETBALL '66-'67

Last April I asked Coach Johnson about the basketball team for the next season. He stated that through hustling and all-around good play the Tornadoes could have a good season. Now that the season has ended we can see what Coach Johnson meant. There are many exciting things that can be remembered about this team. The emphasis has been on team ball. Anybody could break a game wide open at any time. The seniors, Harold Greene, Buddy Diehl, Buster Mayberry, and Kenny Feinstein have played tremendously. When you have a good ball club, you have good senior leadership. A stick match-up defense held many teams below their season's average. Listed as the "Surprise Team of the NIL", this team pulled some BIG upsets, such as the victory over top-ranked Overton. Gary Seiner, a junior, ranked as one of the best from both a shooting and rebounding standpoint. Dale Hudson, a junior, proved very strong on the boards. When a substitute was needed Coach Johnson turned to his bench to find Danny Baber, Bobby Lesikar, and Bob Tuggle, each one potentially as good as the boy he was replacing. Yes, as Coach Johnson stated, this is the best team he has had since coming to Central, and all the team members deserve much commendation for their hard work in making this such a successful season. Central is proud of you.
